

CAMPBELL SPARTAN VOLLEYBALL BOOSTER CLUB

Dear Generous Sponsor,

Campbell Spartan Volleyball Booster Club is a nonprofit 501c3 youth sports organization dedicated to helping our players reach their maximum potential. We are currently inviting private parties and businesses in the Atlanta area to participate as active supporters of our program and our Lady Spartan Volleyball players. Your sponsorship will help cover the costs of the uniforms, tournament registrations, tournament expenses, training equipment, training expenses and transportation. Sponsorships from individual businesses, such as yours, help support the team and the overall development of the sport.

Volleyball is the fastest growing sport in girl's athletics, and we are actively developing our program at Campbell High School. In fact, we are launching a new Jr Spartan team for the 2025 fall season! This opens additional opportunities for growth and development for our local 6-8th graders. Community sponsors can further this growth and are so incredibly appreciated. With sponsorship also comes the opportunity for community awareness and broad promotion for your organization. We are offering multiple levels of sponsorship this year, attached for your review. We hope you will join us this year to support girls' sports and specifically, our Campbell teams.

Thank you for your interest in giving our teams the opportunity to develop a program that will benefit our student athletes and strengthen our community.
